Elmgrove Primary School and Nursery

Equality Plan 2025 – 2026

At Elmgrove Primary School and Nursery we are committed to:-

- promoting equality of opportunity,
- eliminating discrimination and harassment,
- further strengthen links with our local community,
- valuing diversity and promoting positive relationships,
- providing an inclusive education which enables all pupils to develop their full potential,
- meeting the requirements of the Equality Act 2010.

The Equality Act 2010

The Equality Act 2010 replaces previous anti-discrimination legislation with a single Act. The Equality Duty is set out in section 149 of the Act. It replaces the three previous public sector equality duties – for race, disability and gender – and covers the following protected characteristics:

- Age
- Disability
- Gender reassignment
- Marriage and civil partnership (but only in respect of eliminating unlawful discrimination)
- Pregnancy and maternity
- Race
- Religion or belief
- Sex
- Sexual orientation

We ensure that we have due regard to the need to:-

1. eliminate unlawful discrimination, harassment and victimisation and other conduct that is prohibited by the Act,
2. advance equality of opportunity between people who share a characteristic and those who don't,
3. foster good relations between people who share a characteristic and those who don't.

School Policies

The Governing Body will ensure that in the cycle of policy reviews that policies and practices are scrutinised to identify the effects they have on individuals or groups of people in relation to equality.

Ethos & Values

At Elmgrove Primary School and Nursery, we believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here.

At Elmgrove, children come first and our priority is to deliver high quality teaching and learning whilst at the same time providing rich and truly enjoyable learning experiences for our community of children. Everything we do as a school is to ensure that the children achieve their very best. We are deeply aware that children only get one chance at their primary education and it is our job to ensure that they all reach for the highest levels of personal achievement and development.

We want every child to be successful; to reach for success from the very first day they join us and throughout their school lives so that when they leave us, they have a love of learning for the rest of their lives.

We are an inclusive school where pupils, parents, staff, governors, the local authority and local services work in partnership to meet the needs of the community. We celebrate the positive contribution made by different social, ethnic and linguistic groups.

At Elmgrove Primary School and Nursery we will strive to:-

- Provide a secure and stimulating environment that is conducive to all children having the opportunity to reach their full potential;
- Have regard and respect for the experiences, knowledge and cultural diversity that every child brings to school. To use this as a foundation for improving standards;
- Value the achievements of all children, both in and out of school and provide opportunities to develop self-confidence and a positive self-image;
- Provide a supportive culture in which all staff are encouraged to extend, develop and share their expertise;
- Ensure that issues of equal opportunities are considered in all our work;
- Provide a curriculum based on the National Curriculum and Foundation Stage Curriculum that is broad, balanced, relevant, progressive and appropriately differentiated;
- Offer all children equal access to the curriculum and school life in the community where individual differences are appreciated, celebrated, understood and accepted;
- Encourage children to become good citizens, by developing caring attitudes and respect towards themselves, other children, adults, their school and their community;
- Recognise that children are constantly developing and ensure that the curriculum offered to them is appropriate to that development;
- Encourage each individual to take responsibility for his/her behaviour and to act as a good role model to others.

Staff and governors demonstrate our values and commitment to equality by:-

- ensuring acceptable behaviour;
- responding to incidents and complaints in a proactive way;
- providing access to services, facilities and information;
- recruiting and employing people fairly;
- meeting specific needs.
