

Dear Applicant,

Vacancy – Class Teacher

Thank you for expressing an interest in our recently advertised Class Teacher post. At Elmgrove, children always come first and we know that they deserve the very best that we can offer them. The school is known for our inclusive approach where the abilities and gifts of all children are celebrated. This is a very exciting time to be joining our school where everyone is part of a team and laughter is encouraged. All colleagues are valued members of the team with the simple mission of providing a rich, nurturing and high quality learning environment for all.

We are looking to appoint additional colleagues to join our team as soon as possible. Elmgrove is an exciting and enriching place to work with 780 pupils on roll rising to just under 900 children as we move to a full 4 form expansion over the coming years. We are proud to be additionally resourced for children with physical disabilities as well as having a Children's Centre Delivery Site. As part of the Priority School Building Programme, Elmgrove will also be largely rebuilt within the next five years.

There is an active, supportive Parent Staff Association which organises community social activities. In addition we have a Staff Well-Being group that arranges social activities for staff.

We offer professional opportunities for staff who wish to work in a supportive and creative atmosphere where success is celebrated. This post offers a great opportunity to work in a large, successful school where children want to succeed and staff members are fully supported by the Senior Leadership Team.
