

19th October 2021

Dear Parents,

The Elmgrove Sleepover is back! We are offering this opportunity to the children in Year 4 who missed out last year due to Covid, as well as the current Year 3 children. **The Sleepover will be on Friday 26th November 2021.** The purpose of the sleepover is to give children a chance to bond with one another, develop independence and make stronger friendships.

During the evening children will have their evening meal. We will also provide breakfast the following morning. The evening will include a range of games, team building exercises and fun activities.

You will need to provide the following for your child:

- Suitable nightwear (pyjamas/night gown)
- Dressing gown and slippers
- Toothbrush and toothpaste
- Washing kit to include a flannel
- Hairbrush
- Sleeping bag and pillow
- Camping mat or equivalent
- A change of clothes for the next day

The boys will be sleeping in one hall and the girls will be sleeping in the other hall. We would like the children to arrive at school at 6pm and collected promptly by 8.30am the following day. This is a very exciting opportunity for our children and we know they will all enjoy the Elmgrove sleepover.

Should your child require medication during the time that they are at school for the sleepover, please provide written details of the dosage and timings and hand it to a member of staff when dropping off your child on the evening of the sleepover.

There are a limited number of places so places will be allocated on a first come first serve basis. We set high standards for behaviour at Elmgrove and if a child is not consistently following our Golden Values (respect, responsibility, commitment and kindness), they may not be able to participate in this event.

Due to funding cuts, the school is unable to subsidise the cost of this event which means that the cost to parents is **£25 per child**. If your child is entitled to free school meal, the cost is further reduced to **£15** using the Government's Pupil Premium grant.
