Dear Parents /Carers

Swimming Sessions for Year 3 and Year 4
Change of day for the Summer Term

The swimming sessions for Year 3 and Year 4 will change from week commencing Monday 26th April 2022 until the end of the term.

Year 3 will attend their sessions on Mondays and Year 4 will attend on Tuesdays.

There will be no sessions week commencing Monday 19th April 2022.

We need parental support to walk the children to their swimming lessons between 9:00am and 11:45am. Without your support, it very difficult for the school to arrange these sessions.

If you are able to help, please click the link below. If we have more parents that can help, we will create a rota. Thank you in advance for your help.
