Dear Parents

Ark Farm Visit Friday 24th June 2022

We have arranged for Ark Farm to come into school to visit the Nursery children on Friday 24th June. It will be a fantastic experience for the children, as they will be learning about habitats and life cycles. The farm will bring a range of animals which will include: an owl, bantam chickens, guinea pigs, rabbits, a friendly labrador, pygmy African hedgehogs and tortoises.

The children will have the opportunity to handle some of the animals, so please click the link below to give us your permission to allow your child to touch the animals by Friday 17th June 2022.

The cost of this visit is covered in the £20.00 payment for the school events for this academic year.

Thank you for your continued support.

Yours sincerely
