

## Inspiring and Nurturing Lifelong Learners

Whole school Curriculum Overview: Autumn Term 2022

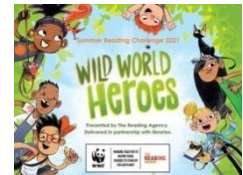

Dear Parents and Carers

We have put together some information for your children to prepare them for their learning in the autumn term and suggestions on how to keep them busy in the summer holidays.

All our remote learning platforms remain active for children and we would ask parents to continue some reading and maths activities, e.g. Bug Club and My Maths over the holiday period.

### Summer Reading Library Scheme

The Annual Summer Reading Scheme is here and they have linked with WWF to create a nature themed challenge. More details on this website [Summer Reading Challenge](#) As museums and attractions are opening up you may be able to take your children to. Many have also created virtual tours which your child may find interesting if you are unable to visit in person.

Year Group	Autumn Term Curriculum Topic	Places to visit
Year 1	Toys and Childhood	You could visit 'The Toy Museum' <a href="https://www.pollockstoymuseum.co.uk/">https://www.pollockstoymuseum.co.uk/</a>  Make your own toy timeline <a href="https://brightonmuseums.org.uk/discover/2012/05/21/toy-timeline/">https://brightonmuseums.org.uk/discover/2012/05/21/toy-timeline/</a>
Year 2	Fairy Tales & Puppets Maps: Continents and Oceans	Victoria & Albert Museum (free) <a href="http://vam.ac.uk">V&amp;A · A History Of Puppets In Britain (vam.ac.uk)</a> Visit your local library. Read a wide variety of fairy tales. Can you re-tell the stories with puppets? Also look at Atlases/maps at the library. Can you find the continents and oceans?
Year 3	The Stone Age  Volcanoes  Rocks and Fossils	Museum of London (free ) <a href="https://www.museumoflondon.org.uk/museum-london">https://www.museumoflondon.org.uk/museum-london</a> Natural History Museum (free) <a href="http://www.nhm.ac.uk/">http://www.nhm.ac.uk/</a>
Year 4	Rivers (including the River Thames)	Explore the River Thames by taking a walk along the river or maybe a boat if you can. Visit a local river. Look at the speed and direction of the water by playing pooh sticks. How is it different to the River Thames?
Year 5	Earth and Space  Egyptians	Science Museum (free ) <a href="http://www.sciencemuseum.org.uk/">http://www.sciencemuseum.org.uk/</a> Greenwich Royal Observatory <a href="http://www.rmg.co.uk/royal-observatory">http://www.rmg.co.uk/royal-observatory</a> (cost for planetarium shows)
Year 6	Vikings  Animals including Humans  Electricity  Light	British Museum (free) <a href="http://www.britishmuseum.org/">http://www.britishmuseum.org/</a>  Science Museum (free ) <a href="http://www.nhm.ac.uk/">http://www.nhm.ac.uk/</a>  Natural History Museum (free) <a href="http://www.nhm.ac.uk/">http://www.nhm.ac.uk/</a>

# Elmgrove Summer Holiday Bingo

Make a fruit smoothie	Go swimming	Research the Olympic Games	Help look after an animal	Draw a picture with your feet
Draw/make a map of Harrow	Visit a museum either in real life or virtually	Make your own slime	Make up a dance routine	Help a member of your family
Visit a park you haven't been to before	Make a cake	Try a new exercise	Find out about your class artist	Write a letter to a friend
Find Tokyo on the map and learn some facts about the city	Play a board game with your family	Ride a bike /scooter	Make a comic book	Try some new food
Complete the summer reading challenge	Learn how to sew	Have a race with some friends	Make something with Lego	Learn about the Kings and Queens of England

Have a go at some of these over the holiday period!
