

Thursday 8th September 2022

Dear Parents/Carers,

As part of a unit of work in History, Year 3 will be taking part in a **Stone Age to Iron Age workshop** on Wednesday 21st September. The children will begin the workshop at 9am and will finish at 3pm.

As a part of the workshop, children will be participating in a drama and prehistoric photoshoot where children will have the opportunity to dress up as a Stone Age child and role play what an ordinary day would have looked like for them. They will also have the opportunity to make salt dough artefacts and create their own 3D Stone Henge. The workshop will give the children first-hand experience of what it may have been like during the Stone Age period.

Children will have their usual break time and lunch time in school so if your child has a packed lunch please ensure you send them with one.

The cost of the workshop is **£6.00 per child**. Please ensure you pay via **Parent Pay by Friday 16th September 2022**.

Yours sincerely

S Tanna
