

Dear Parent/Carer,

This letter is to inform you that our School is working in partnership with the Metropolitan Police Service as part of their legal commitments under Operation Encompass.

Operation Encompass provides schools with notifications when a child (under 18) has been exposed to, or involved in, any domestic incident. This also applies to situations where the child or young person was not directly present but is a member of the household. These notifications are usually shared by the start of the next school day.

Operation Encompass ensures that a specially trained member of the school staff, known as a Designated Safeguarding Lead (DSL), is notified. The DSL can then use this information, in strict confidence, to support the protection and wellbeing of the child.

The school may be able to put in place provisions or adjustments to support the child and their family. We are committed to providing the best support possible to all our pupils, and we believe this will be highly beneficial for all those involved.

Thank you for your ongoing support,

Yours sincerely

S Neary
